All goods and services provided by L’Oréal shall follow the principles of dignity, independence, integration and equal opportunity.

Communication

When communicating with people with disabilities, we will do so in ways that take into account their disability and their communication needs. We will train staff who communicate with customers on how to interact and communicate with people with various types of disabilities.

Service Animals and Support Persons
We are committed to welcoming people with disabilities who are accompanied by a service animal on the parts of our premises that are open to the public and other third parties. We will also ensure that all staff, volunteers and others dealing with the public are properly trained in how to interact with people with disabilities who are accompanied by a service animal.

We are committed to welcoming people with disabilities who are accompanied by a support person.
